Marketing Managers

- 1 New wheel will replace the **Vision Boost**. When it arrives, incorporate it into your display as shown in the [Custom Wheel Display](#).
- 2 Dispose of the removed display wheel through your region's established wheel disposal procedure.

IMPORTANT: Please ensure your entire wheel display is set up according to the Custom Wheel Display and properly visible to Our Customers. If you do NOT have a wheel display, please contact DT_wheelteam@discounttire.com.
