

Hello Discount Tire Family,

This time of year encourages us to reflect on where we've been, those we love, and the many people who make our lives brighter. And for us, that includes all of you.

Your hard work and unwavering commitment To be the BEST continues to inspire us every day. You support one another, delight Our Customers, and help create a place where Our People can grow and make their Dreams a reality. The impact you make goes far beyond the walls of our stores and offices. It touches families, communities, and futures.

We hope this Thanksgiving brings you peace, joy, and treasured time with those you love. Thank you for all you do To Make Dreams Come True.

We wish you a very Happy Thanksgiving!

With Gratitude,
Michael and Dean
