

IMMEDIATE ACTION LEADERSHIP

SCHRADER COMPRESSORS

September 6, 2016

What and Why

All Schrader compressors must be identified and accounted for within each region by store number due to a potential hazard.

Expectation

Safety Leader/Store Manager:

- Write down the manufacturer name and serial number of each compressor in the store.
- Complete the survey

Warehouse Adjustment Manager or Maintenance Manager:

- Confirm the serial number of each Schrader compressor.
- Perform a visual inspection of each Schrader compressor.
- Complete the survey.

Final Step

A status update issued to Senior Operations 24 hours after IAM submission to be followed by weekly updates.

Thank you for keeping our people Safe!
