

Tire Rack Supports Unity Gardens' Annual Spooktacular Event

Unity Gardens recently hosted its annual Spooktacular Community Event, proudly sponsored by Tire Rack. This free, family-friendly celebration combined festive Halloween fun with hands-on sustainability education, drawing hundreds of community members.

Guests enjoyed activities such as a haunted maze, pumpkin painting, balloon art, and the popular Edgy Veggie area, which featured creative games made from repurposed Tire Rack materials. More than 1,000 children and parents visited the Edgy Veggie van, where items like strap cores and foam were transformed into tic-tac-toe sets, ring toss targets, and sensory boxes filled with "tricks and treats."

The event's success was made possible through the collaboration of Unity Gardens staff, Tire Rack team members, and dedicated local volunteers, including the Doyle family, Noah Dommer, Victor Smith, and "Zion the Zombie." Together, they created a fun, safe, and educational evening that celebrated both community spirit and environmental awareness.

THANK YOU TO OUR VOLUNTEERS!

Keep an eye out for more opportunities like this!
