Last Month's Happenings

EARTH DAY

TEAM NV

Team Nevada hosted a month long interactive wellness event revolving around plants! First, employees had an opportunity to paint their own mini-pot. Next, they filled them with soil and their seed of choice. Throughout the month, they took care of their seedlings and were able to take home their very own seed starter at the end of the month. Great job, NV!

TEAM DE

Team Delaware spent the last month planting and cultivating seed starters for their employees to take home in honor of Earth Day! From tomatoes to peppers, watermelon and more - there was a ton of variety and green thumb efforts to go around!

CT EMPLOYEE APPRECIATION EVENT

Mister Softee

TEAM GA

In April, Team Midway painted bird houses together for the trees and birds on site - great job, GA!

MAY'S VOLUNTEER INITIATIVE

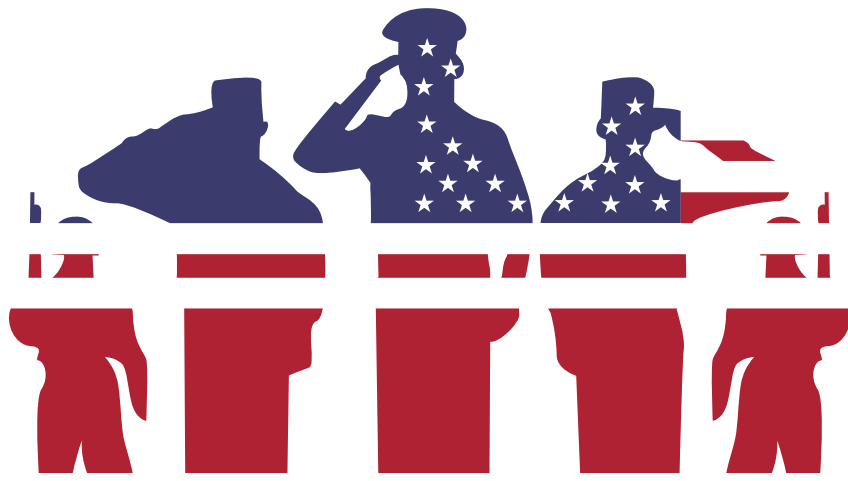

"At the end of the day, it's not about what you have or even what you've accomplished.

It's about who you've lifted up, who you've made better: it's about what you've given back"

This month, we are leaving the May Volunteer Initiative up to you - do you know of a "big event" that your DC would be interested in getting involved with? Let us know! We want to hear what YOU have to say!

COMEDY CORNER

Why do dads take an extra pair of socks
when they're golfing?

In case they get a hole-in-one!

Why do melons have weddings?

Because they cantaloupe!

Every time I take my dog to the park,
the ducks try to bite him. That's what I
get for buying a pure bread dog,

What do you call a cold puppy?

A chili dog!

Did you hear the sausage joke?

It's the wurst.

Why can't your hand be 12 inches long?

Because then it would be a foot.

I don't know much about the best
things in Switzerland,
but their flag is a big plus.

If the early bird catches the worm,
I'll sleep in until there are pancakes.

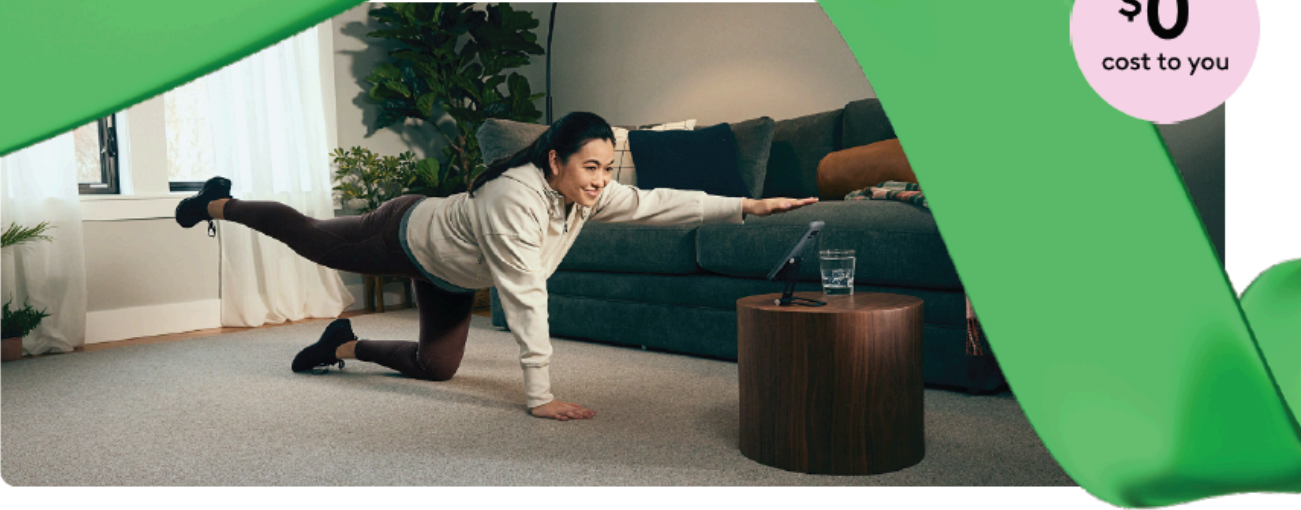

Why did the stadium get hot after the
game? All of the fans left.

Why are skeletons so calm? Because
nothing gets under their skin.

Why did the nurse need a red pen? In
case she needed to draw blood.

NEW ARRIVAL

EMPLOYEE SHOUTOUT

In this month's employee shoutout, we would like to recognize Sergio Castro from our South Bend, IN Warehouse. Sergio has been a dedicated team member for over 23 years and always comes in with a smile on his face. Sergio was born in Venezuela and immigrated to the United States in the early 1980's with his wife Martha. As a resolute family man to Martha and their two children, Sergio takes much pride in his five beautiful grandchildren. He also enjoys giving advice, such as: "always cherish your family" and "appreciate your job." Sergio is truly a person that would go out of his way to help a person in need. He is always willing to lend a helping hand, no matter the situation. Driven by his strong belief and dedication to his church, Sergio has helped mentor many fellow team members on the importance of putting family, faith, and friends first. Thank you, Sergio, for your constant positivity and your dedication.

Sergio Castro
