

Tire Rack Wholesale is excited to offer the exclusive Vredestein Hyper Boost Quarterly Volume Rebate Program

ALL VREDESTEIN BRAND TIRES INCLUDED!

The Vredestein Hyper Boost Quarterly Volume Rebate is tiered to give you the opportunity to take full advantage of aggressive rebates. The unit goals and corresponding rebates are shown on the right. Qualifying purchases must be placed on your Tire Rack Wholesale account. There will be no exceptions.

The Vredestein Hyper Boost Quarterly Volume Rebate is paid in addition to any other promotions and consumer rebates already available to you. You will benefit from the most aggressive pricing and valuable promotional offerings on top of these extra quarterly earnings. These rebates are also in addition to any Will Call Rebates you may already be earning.

When reaching the quarterly unit goals, you will qualify for an automatic rebate credit. The Vredestein Hyper Boost Quarterly Volume Rebate will be reflected on your Tire Rack Wholesale statement for the month following each quarter's end. A tire is considered qualified once it has shipped or been picked up.

If you have any further questions or would like an update on your progress at any time, please contact your Tire Rack Wholesale sales representative at 800-445-0179.
